

# Leadership Team Meeting

7.10.10

## In Attendance

Bryan Nelson-Phelan, Rick Elgandy, Baxter Swenson, Pastor Aaron

Not Present: Carissa Esmon, Christin McFadyen, Dena Wangberg

- Ryan Anderson, Treasurer, presented us with updated numbers. The handouts are available from Pastor Aaron if you would like copies. We talked about some minor discrepancies and Bryan and Ryan were going to figure them out. The biggest concern was offering in June was \$4,631 for the month. We will keep a close eye on giving over the next month or two.
- Alex Early, asked if we would be willing to house some of his boxes while he looks for more permanent housing. We agreed to allow him to store about 10 boxes in the church basement for 6 months (which could be renewed) under the following conditions:
  - 1) He agrees to limit the liability of ResCov if something were to get damaged.
  - 2) There is nothing illegal or perishable
  - 3) He has limited access - essentially when Pastor Aaron is present. (He can't just stop by the 3-flat and ask to get in).
  - Bryan Nelson Phelan is drafting a document for him to sign.
- Iglesia Bethel asked if they could rehearse on Wednesday evenings instead of Thursdays - we agreed.
- Valencia (Last name?) operates a dance ministry and is interested in renting the gym or basement once a week on Sat. We agreed that to move forward with this and Bryan Nelson Phelan is negotiating with her.
- Bryan Nelson Phelan asked for guidance as he continues the search for a Sexton. There are several people in the church who have expressed interest in the position.
